## QUALITY POLICY STATEMENT

LPC Construction Limited is a provider of reinstatement, civil engineering and construction work services to the electricity, civil engineering and construction industries.

Our policy is to supply and deliver our services using competent, skilled, experienced, environmental and safety-conscious Managers, Supervisors, Operatives and Employees, to budget and on-time.

We undertake to deliver our services with highly competent, skilled, experienced and safety-conscious managers, supervisors, operatives and employees, in order to fulfil our contractual obligations, meeting client requirements, the requirements of the Distribution Network Operators (DNOs), National Joint Utilities Group (NJUG), Electricity Association Standards, relevant Regulations and Statutes, and exceed their expectations. We are committed to complying with statutory, regulatory and other requirements relevant to our business, the requirements of our clients, the requirements of ISO 9001:2015, and, to continually improving our approach, arrangements, processes and performance.

This policy shall be used to provide a framework for establishing and reviewing our objectives which is to deliver our services efficiently and to the highest standard, avoiding damages to services, and, on-time. Objectives and targets are set during annual business planning, and reviewed regularly at management reviews, supervisors' meetings, and, updated on on-going basis.

The Top Management will ensure that this policy is appropriate to the purpose and context of LPC Construction Limited and supports its strategic direction. They will always ensure that the policy is communicated, understood, implemented and maintained at all levels of the Company.

In order to promote the adoption and implementation of the policy, all staff and employees shall be encouraged to understand and discharge their individual responsibilities to a degree necessary to ensure the effective operation of the Quality Management System. Directors, Managers, Supervisors, Staff and employees are responsible for ensuring that the quality of their own work meets the appropriate standards.

This Policy Statement shall be communicated to all Managers, Supervisors, Staff, Team Leaders, Operatives and Employees as part of their induction. Copies of the Policy shall also be displayed within the company. The Managing Director shall ensure that everyone within the organisation is conversant with the Quality Policy and Objectives.

This policy shall be reviewed periodically and at least annually by members of the board of directors in order to ensure that it is current, suitable and relevant to the company's business activities.
